

☒ ~~TF Replacement: New Pathfinder My Account Page~~

As a Pathfinder who has Completed my account, I can view and edit my responses in my "my account" page, so that I can keep my information up to date.

☒ ~~The My Account page has all the fields that were on the Complete my account page.~~

☒ ~~With the exception of date of birth, I can change all fields.~~

☒ ~~I cannot delete any fields entirely (If I erase a field, I need to fill it back in before saving)~~

☒ ~~If I update my name, the old name is added as an entry in my Other Names field.~~

not sure on the updating formerNames when you update the name. It feels like that could get out of control very easily.
